10.10.10 Prayer

John Wesley teaches the Methodist to engage in regular prayer, as a means to grow deeper in our faith and experience God's grace. Setting aside time as a daily routine, is essential for us to deepen our prayer life. We are to set aside a place and time to retreat from the world and dwell in God's presence through prayer. 10.10.10 is a suggestion for us to help set aside that time with the Lord.

Time - Set a time that will fit your schedule. It could be in the morning, evening, or even during the day. We suggest 10 PM as your day winds down, but you can change the time according to your schedule.

Length of Prayer - Setting a certain length to our prayer time is also essential to enrich our experience in prayer. The suggested time of 10 minutes as a minimum time to help us experience the time of resorting into God's presence.

What to pray - Starting a prayer request journal is helpful for us to record and see how God works in our lives. When we find ways to pray for 10+ prayer requests, we see how the boundaries of our prayer expand.

10.10.10 is a suggestion to help us build a regular practice of prayer in our daily lives. Tweak and change it according to where you are in your relationship with God. Keep praying!
