MISSION MESSAGE

One of the ministries that we support at the Rescue Mission is The Way Forward Recovery Program. Did you know that in most cases that it takes a person at least a year to complete this program? They invest a year of their life to becoming clean and sober. What a huge commitment from each of these individuals. Several guys have come to our church to serve while participating in The Way Forward and have felt led to join our church as a member. They serve weekly in vital positions that assist our technology need for worship each week. We thank these gentlemen and the Rescue Mission for allowing our church to participate in this program.
